The Director of Administration and Supplies (DAS)

IMSUBEB Headquarters

Owerri, Imo State

Subject: Issuance of Employment Letters and Strategic Deployment of Newly Employed Teachers

I write to formally convey approval for the issuance of employment letters to all 6,045 successful candidates for TS and 223 successful candidates for NT recently recruited into the basic education system across the twenty-seven (27) Local Government Areas of Imo State.

The recruitment exercise was conducted based on identified staffing needs in our public basic schools, with the objective of addressing teacher gaps and improving the quality of teaching and learning outcomes across the State. Having received and reviewed the compiled data of recruited teachers by LGA and subject areas, it is imperative to proceed with the formalization of their appointments.

Accordingly, you are hereby directed to:

1. Prepare and issue official letters of employment to all successful candidates without delay.
2. Ensure proper documentation and records of all newly employed teachers are captured and filed appropriately.
3. Coordinate the strategic deployment and redeployment of these teachers to schools strictly based on identified needs, subject specialization, and existing staffing gaps.
4. Work in collaboration with relevant departments, particularly Planning, Research & Statistics (PRS) and Quality Assurance, to ensure equitable distribution and optimal utilization of personnel.
5. Submit a detailed report on the issuance and deployment status upon completion.

This process must be handled with utmost transparency, efficiency, and adherence to due process, in line with the Board's mandate to strengthen basic education delivery in Imo State.

Kindly treat this directive with the urgency it deserves.

Thank you.

Hon. Chief Chidiebere Egboh

Executive Chairman
